

# Stuart L. O'Dell, AIA

## Principal

### Registered Architect

Wisconsin, 1997 #8451

### Member

American Institute of Architects / North Alabama Chapter of AIA

North Alabama Chapter of AIA—2010 Vice-President

North Alabama Chapter of AIA—2011 President

### Professional Experience

Stuart began his Architectural career interning with an Engineering Firm while still completing his degree in 1982, and immediately upon graduation he was hired by one of the country's leading Educational Architectural Firms, for which he gained valuable experience. Proficient in both Auto CAD and REVIT, and having achieved his Architectural License in 1997, Stuart now has over 32 years of Architectural experience. His responsibilities include project management, design, on-site inspections, writing of specifications, and project management. Stuart's experience ranges from Educational (Primary to University), Commercial, Religious, Medical, Residential to Multi-Family, to name a few.

In 2013, Stuart became a Principal in the firm Brown O'Dell & Partners Architects, and in this new role, he will continue to use his vast experience to deliver a successful project.

The following projects show the diversity of Mr. O'Dell's project experience:
